# November 2024

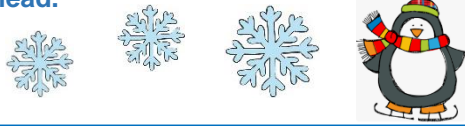

Brrr! The weather has certainly turned more wintery this week. Make sure your child is coming to school prepared for the weather and dressed warmly for outside play.

Our Christmas/ Winter preparations in school are already well underway. Make sure you add the dates to your diary especially as it gets very busy towards the end of the term. (See the calendar below)

We look forward to seeing you all at Parent's Evening next week. A reminder that these Parents Evenings are a valuable opportunity to discuss your child's academic progress and share targets for the year ahead.

Keep warm!

Thank you PTA for International Evening and Science Fair!
